

Erratum for the synthesis study “Germany’s Contribution to the Forest and Climate Protection Programme REDD+” by Reinecke, S., A.-K. Weber, A. Michaelowa, S. Schnepf and J. Christensen

Authored by Perspectives Climate Research gGmbH

Published by the German Institute for Development Evaluation (DEval), Bonn in 2020

ISBN 978-3-96126-108-6 (printed edition)

ISBN 978-3-96126-109-3 (PDF)

In the synthesis study [“Germany’s Contribution to the Forest and Climate Protection Programme REDD+”](#) on page 31 it was falsely stated that “So far, the experience and lessons learnt with REDD+ have not led to more trust in the instrument and **have led instead to a significant increase** in secured finance (...)” The correct statement is, however, that “So far, the experience and lessons learnt with REDD+ have not led to more trust in the instrument and **have also not led to a significant increase** in secured finance (...)”

The full text in PDF was corrected on 1 December 2020.

Erratum der Synthesestudie “Germany’s Contribution to the Forest and Climate Protection Programme REDD+” von Reinecke, S., A.-K. Weber, A. Michaelowa, S. Schnepf und J. Christensen
