Dear Dr. Max Mustermann,

This newsletter is dedicated to synthesized evidence and "lessons from evaluation" for an evidence-based response to the Covid-19 pandemic. Members of the Thematic Team on Rigorous Impact Evaluation, founded by the Federal Ministry for Economic Cooperation and Development (BMZ) and DEval, synthesized the experience and evidence on the effectiveness of measures in four central thematic areas of BMZ's Corona Programme. Further, you will find three contributions from the Covid-19 Evaluation Coalition's series "Lessons from Evaluation", addressing "Gender Equality", "Gender Equality in Education" and "Cash Transfers".

Launch of the Global Evaluation Initiative:
Global partnership to strengthen monitoring and evaluation capacities

The launch event "Evidence and the Road to 2030" on 18 November marked the start of the international Global Evaluation Initiative. The aim of the initiative is to build national evaluation capacities (Evaluation Capacity Development) and to support countries in establishing sustainable monitoring and evaluation structures. As part of the initiative, DEval contributes its experience, in particular from the development of evaluation capacities in Costa Rica and Latin America.
